Dear Parents and Youth Leaders,

We are very excited about Living Springs Camp's 46th year! Living Springs Camp has stayed true to the teachings of God's Word in seeking spiritual growth for each camper. We use the KJV Bible, and our music is traditional. Our dress standards are set to create an atmosphere of respect and learning.

We are praying that this 2017 camp season will be the best year ever. Dr. Johnny Pope, pastor of Christchurch Baptist Fellowship in Houston, Texas, will be our speaker for Teen Week. Bro. Ryan Cozart, pastor of Cedar Grove Baptist Church in Newton, Mississippi will be our speaker for Junior Week. God has used these men in a great way to influence young people for Christ. Our camp staff has been praying and working hard for this ministry. We hope that you will prayerfully consider allowing us to have a part in helping you prepare the next generation for the glory of God.

If you have any further questions, please do not hesitate to contact me.

Living Springs Camp

Living Springs Camp is nestled in 180 beautiful acres of wooded hills and open grasslands in southeastern Jefferson County, Missouri. The camp gets its name from several large continuously flowing springs found on the property.

Since 1971, Living Springs Camp has used the beauty of God's creation as the perfect setting for relaxation, recreation, and learning. On these campgrounds, we offer exciting summer camp experiences for our campers with Junior and Teen Camps.

The purpose of Living Springs Camp is to provide a unique outdoor experience where campers can enjoy a program that encourages them to take the next step in their physical, social, and most importantly, spiritual life.

The staff of Living Springs Camp is dedicated to winning boys and girls to Jesus Christ and training them to serve Him, all to the glory of God.
